PROFESSIONAL SUMMARY

Senior Software Engineer with **3+ years** of experience building production-grade mobile applications using **Flutter & Dart**. Delivered apps with **550,000+ combined Play Store downloads** across Business and enterprise domains. Strong expertise in **KYC integrations**, biometric ,authentication, **Clean Architecture**, **TDD**, and end-to-end Play Store deployments.

EXPERIENCE

Novac Technology Solutions Pvt Ltd
Senior Software Engineer

September 2022 – Present | Chennai, Tamil Nadu

- **Led end-to-end development** of the Gold Module for Mysamil from scratch — contributing to **500,000+ Play Store downloads** and driving significant user acquisition growth.
- **Spearheaded** the integration of **HyperVerge KYC** (document verification + face match) and **Mantra RD Service** (fingerprint biometric), delivering a **fully compliant, end-to-end digital onboarding flow** — reducing manual verification effort by **60%** and cutting onboarding time from days to **under 5 minutes**.
- **Architected Partner One** super app in close coordination with business stakeholders and system architects — consolidating 3 separate entity apps (Shriram Finance, General Insurance & Chits) into a single unified platform, reducing user drop-off across financial products.
- **Served as the primary Flutter point-of-contact** for Ziva CV and Ziva CSPL, independently driving both apps from requirement gathering through QA sign-off — enabling field sales teams to manage **100% of their loan pipeline digitally**.

PROJECTS

Mysamil

Live | **Android, iOS**

play.google.com/store/apps/details?id=com.samil.customerpcampaignid

- India's Largest Phyigital Pre-owned Marketplace for Vehicles and Equipment — **500,000+ downloads**.
- **Owned and architected** the Gold Module end-to-end — designed the module structure, integrated **HyperVerge KYC** (document + liveness check) and **Mantra RD Service** (biometric fingerprint), and delivered a **zero-paper, fully digital customer onboarding flow**, reducing verification time by **60%** and improving KYC approval rates significantly.

Partner One — Novac Super App
In Development | Android, iOS

- **Architected** a unified super app replacing 3 separate entity apps for Shriram Finance, General Insurance & Chits via deep linking — reducing user friction across financial products.
